

PARTNERED WITH  **TRADE TRAK**

SMALL BUSINESS DIGITAL ADAPTATION PROGRAM

SPECIAL OFFER

Trade Trak has been selected by the Victorian Government to be a participant in the Small Business Digital Adaption Program. This important government program is designed to help small businesses adapt to the digital operating environment.

Victorian businesses that register for the program and sign up for Trade Trak, or upgrade their current account, prior to the 10th of June 2022 (or prior to the \$5 million of funds running out) will be able to apply for a grant of \$1200, which can be used on the app within 12 months. You can view the full details on the program and business eligibility [here](#).

SBDAP DEAL

To help businesses make the most of their reimbursement, we're offering a special deal for all program participants. With your \$1200 grant you can purchase the SBDAP deal and receive:

- **Our full training and onboarding package**

This includes data entry for clients, suppliers, and users, account set up and a 5 hour bespoke training course, customised to suit your business

Usually charged at \$1200 + GST

- **Support while you transition from your existing business package**

Have access to your own Trade Trak representative for 12 months, and receive priority support through our chat

- **10 free script templates**

These pre-made scripts can be used in various different areas of the app, saving you time.

Usually charged at 10 job credits each (\$100 + GST)

- **Your choice of 10 templates from our safety and infield support store**

Choose from templates for reports or SWMS and have them added straight to your account.

Usually charged at 20 job credits per template (\$200 + GST)

If you have already completed an onboarding with Trade Trak please get in touch with us to arrange a personalised upgrade offer for your business.

RECEIVE \$1500 OF VALUE AT NO COST TO YOUR BUSINESS

We believe Trade Trak is the perfect solution for your business.
